Description

A very attractive low slung deep seated country house armchair in the manner of Howard & Sons. Upholstered in its original deep buttoned floral fabric. Structurally in good solid order and very comfortable. The fabric is a little tired but in my opinion still has life left in it and it would be a shame to loose it. If however you do wish to change it then I do offer upholstery on all my upholstered seating. Provenance: The Guinness family sale at Elveden Hall - Norfolk 72cm wide 88cm deep 80cm high 34cm seat height
