Description

A rare opportunity to acquire beautifully styled and totally original Art Deco bedside tables. Originating from Italy and dating to the early 1930's they fill both the highly desired shape of Art Deco and sort after the luscious veneers of figured walnut. A wonderful design to delight the eye and with their original brass metal handles. These cabinets are larger than the usual and both in the single drawer and the interior cupboard below offer plentiful storage. Both cabinets have been professionally and fully restored. Doors and drawers open smoothly and without effort. No damage to report. Very sturdy and perfect height for both a period or modern bed. Images taken in natural daylight. More images to follow
