Description

A wonderful original antique Georgian inlaid mahogany chest of drawers. This was made in England, it dates from around the 1800-1820 period. It is of very fine quality, it is a very useful smallish size and has a beautiful design. It sits on bracket feet, has lovely brass handles and gorgeous inlaid satin wood around the top edge and top front centre. The drawers all run smoothly, this has lots of storage space. The mahogany has an absolutely gorgeous colour tone and patina. We have recently had this re-polished, the condition is excellent for its age. Of course there are various small marks and indentations beneath the polish here and there, commensurate for age. Width – 34 inches , 87 cm Depth – 18 inches , 46 cm Height – 35 inches , 89 cm
