Description

An absolutely stunning and extremely well made pair of antique burr walnut bedside cabinets. They were made in England by Maple, they date from around the 1920's period. They are of outstanding quality, with lovely burr walnut grain patterns, incredibly fine carving throughout and some very useful features. There is lots of storage space inside the cabinet and drawer, each cabinet also has a mirrored pull out tray slide shelf that comes out from beneath the top. The drawers have fine, hand cut dovetailed joints and the beautiful handles are all silvered. We have had these recently re-polished, the condition is excellent for their age. We also have the matching larger chest of drawers that came with these, seen listed under our other items for sale. Width – 18 inches , 46 cm Depth – 16 inches , 41 cm Height – 28 inches , 71 cm
