Date of manufacture: 1930

Description

Antique silver Moeris pocket watch. 1932 The watch has a good quality Moeris stem-winding movement which is working well. Moeris was a well respected manufacturer, one of the companies used to supply the British military with watches. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and has Birmingham hallmarks for 1932 with the makers mark for the Dennison Watch Case Company. The case has some light surface marking but overall it is in nice condition for a 1930s piece. The acrylic lens is in good condition, as is the enamel dial with gold hands, a subsidiary seconds dial and outer minute markers. The watch will be sent in a new presentation box.
