Description

These don't come along very often: a solid sterling silver table vesta box, styled as a Porter's barrow, complete with trunk. It is clearly hallmarked on the base for London 1907 with the maker's mark of Peter Henderson Deere. The trunk has gilding inside and the match striker is the shaft between the handles. Details of the retailer are inscribed along the outside of one handle (Woodruff & Horsefield, 3, Royal Arcade, London) and a registration number sits beside the hallmarks on the base, RD495482. This is a rare and highly collectable piece of silver. Dimensions: Silver Weight: 152g Length: 12.5cm Width: 5.5cm Height: 5.5cm. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
