Description

A good quality matched pair of open armchair in the manner of Howard & sons. Of large country house proportions. Raised on square tapered supports and the original casters. Provenance: The Guinness family sale at Elveden Hall - Norfolk 76cm wide 93cm high 91cm deep 39cm seat height Both chairs are very slightly different dimensions by only small margins. One chair is structurally in good solid condition. One chair needs minor work carried out on the frame as there is a little play in the joints. This is an easy fix whilst the upholstery is being carried out. As with all my upholstered seating I do offer upholstery should you wish.
