Description

Beautiful stainless steel Omega Sapphette ladies watch dated to 1964. It has a facet cut sapphire glass which really does sparkle and gives the watch added interest. The Omega sapphette was the very first watch to be fitted with a scratch resistant sapphire glass. It looks a though it was rarely worn. The calibre 483 movement has just been fully serviced and restored to as new condition and comes with a 12 month warranty. It comes with a selection of straps that you can change easily to suit the mood. The watch case measures 18mm in diameter excluding the winding crown. A classic ladies Omega watch suitable for any occasion

Internal Ref: omega
