Description

This impressive Regency rosewood desk is a testament of craftsmanship of the period. The desk features, the top with hinged lifting book rest, over three mahogany lined drawers with egg and dart freeze, raised on four acanthus carved and reeded legs terminating on brass casters. The rich rosewood finish of this piece brings out the natural beauty of the wood and adds a touch of warmth and elegance to any room. The furniture is in very good antique condition with minor historic knocks, marks, cracks, scratches, wear, imperfections, repairs and alterations, as is to be expected with functional antique furniture. There are no keys and the locks are consequently untested. Structurally sound, and there is no evidence of any woodworm.
