Dimensions

Height = 67.5 cm (26.6")

Width = 152 cm (59.8")

Depth = 60 cm (23.6")

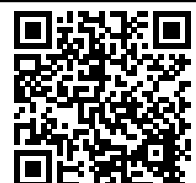

Description

A fabulous late 17th - early 18th century gothic carved rent table. The table is entirely constructed from chestnut with a heavily carved gothic panelled front, having moulded panelled sides and back. The top slides forwards and backwards on side runners and is removable, allowing easy access to the interior. The table has some old restorations and woodworm damage commensurate with age but overall is in excellent condition and has fantastic colour and patination.
