Description

Hi I have for sale an ultra-rare Genuine French Limoges enamel panelled miniature carriage clock made in France, the clock has been fully serviced so in perfect looking and working condition. The Case The case is in solid brass and stands just 11cm high to the top of the handle x 5cm wide with a depth of 5cm it is in perfect condition with mint bevelled glass back door and top viewing glass. On the sides are mint condition Limoges enamel panels plus the dial mask making for a very rare clock. The Dial The dial is in mint original condition finished in a Limoges mask with Roman numerals, the clock also retains its original black/blue steel ornate hands. The Movement The movement is an eight-day time only; the movement has been fully serviced and oiled so keeping great time over the eight days via the original jewelled escapement to the top. A key plus adjuster is included. Overall an ultra-rare French carriage clock that looks beautiful on display you will have to look for years to find another one like this it is a very rare chance to buy a very rare clock. I had trouble with the photos because of their size and deep shine it is much better in the flesh. I will post ...
