Description

Large Copper Lantern This is a Large Copper street light style Lantern, it has glazed sides and sits on an iron pole fitting bracket. This is a superb piece there are no cracks in the glass, the copper is slightly weathered and has a great look, the internal wiring of the lamp is all working but will need to be connected to a suitable electrical supply. The Lantern is 16" across at the wide part and 40" high on the stand TSW308.

Internal Ref: TSW309
