Description

We are delighted to be able to offer this first time on the open market custom made Art Deco 10-12 seater extending dining table. Dating to the 1930's, this dining table along with several other pieces of furniture we have listed was commissioned made to its original owners as a wedding gift in the 1930's. Sourced just outside of Paris, France. This fabulous piece closes to a circular form providing a great centre table when not extended for dining. Often these size tables were originally made for board rooms but this gem is totally authentic dining table and a size which is both scarce and sort after. The top is maple and in a wonderful warm honey blonde colour, with a drum pedestal base in walnut and Macassar ebony base. We've had the whole table fully and professionally restored and traditionally hand French polished so comes to you in excellent condition. Open length 252 cm, base diameter 72cm, table top thickness 11cm FREE UK mainland delivery
