Description

With its deep/low underside, this wonderful walnut table is best suited to console, or hallway use. From a chateau in Burgundy, France it was originally used as a serving table. There are 2 deep drawers; one on the left hand side and the other to the centre of the front. They have been finished with pretty iron, droplet shaped pulls. There are carvings in a rectangular shape across the underside of the top. A strong and sturdy table which we have waxed to bring out the beautiful tones in the wood. (W185cm x H47/78cm x D65.5cm) Delivery: please send us an enquiry with your delivery postcode & we shall obtain a quote from our courier for you.
