## Description

Superb quality walnut chest on chest in excellent condition and of neat proportions. This chest on chest separates into 2 sections which allows for easy transportation in and around your home. The top section consists of 3 graduating cross banded drawers, as does the base with the addition of a pull-out brush slide. All drawers are oak lined, run smoothly and constructed with hand dovetail joints construction. Like all antique furniture there are some imperfections but these only add to the charm and character of this solid chest of drawers. With its incredible colouring and amazing graining this is a striking example of period furniture offering a lot of storage space and history to any home.
