Description

A wonderful and highly decorative desk or counter bell, my favourite kind with the more unusual clapper to the side rather than the ones you ring from the top. The hinged clapper is released and gives a clear and authoritative ring. The reticulated base is particularly attractive with hand chased decoration. A true Victorian example, the bell remains in superb condition, and working perfectly. 5" x 4 1/4" x 5 1/4" tall to top of finial. Item: 44292 FREE Worldwide Registered Airmail Directly From the UK
