Depth = 56 cm (22.0")

## Description

Good quality solid oak chest of drawers with original bracket feet and backboards. The drawers have their original locks and working key (a rare find). The chest has signs of usage as to be expected in a piece 230 years old. The knobs are old replacements probably carried out in the nineteenth century. Good colour and patinated finish and the drawers run well. The drawers are graduated with cock beading and ivory escutcheons (with exemption certificate).
