Description

Victorian Room Screen - Gorgeous Shape - c1880 This is a 3-fold screen in mahogany which is in good order. The excellent mahogany frame surround benefits from sweeping lines to the upper glass panels. The charming design whereby the screen heights reduce adds an extra dimension to the piece. The fabric panels are in good order with one having a light water stain as shown in the images. Bi-fold hinges allow the screen to assume any position required. The whole piece is classically styled and affords a good wide base to ensure that the screen remains stable and steady. An interesting piece that will suit a variety of locations.
