Description

Dimensions:W: 45cm (17.7")H: 72cm (28.3") Pretty 19th century French crystal chandelier. It has its original glass stem with 5 arms and cut glass cup holders. The frame has masses of pretty crystal drops and a glass ball finial at the base. It has been professionally rewired and PAT tested by a specialist antique lighting electrician. It has new card holders and dull gold braid through the stem and chain. Clear wire has been used along the arms.
