Description

A wonderful early 20th century antique oak dresser base or sideboard in the Georgian Style. The antique oak sideboard has a bevelled top with an arrangement of three fitted drawers, each with brass drop handles and decorative backplates. The antique oak sideboard has an under-tier shelf or pot board, raised on turned baluster supports. A rather pleasing example with a beautiful shaped apron. Item Ref; M-4872 . DIMENSIONS: Height - 77cm / Width - 182.5cm / Depth - 46.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches, marks and fading to the top, sides and front (pictured). There is also fading (pictured) and staining (pictured) on the top. The drawers and pot board have minor denting, however, this does not affect the overall integrity of the product. The antique oak dresser base is structurally solid and sound, with the drawers running well. Overall, a good quality piece of early 20th century antique furniture.
