Description

A great culinary taking point! What a thing! A lovely solid 1930s oak framed and glazed three door bookcase, display cabinet or shop fitting. The cabinet doors have been later sign written as with advertising for Youngs eel and pie house. This fine establishment offered a range of London's gastronomic highlights, and the cabinet would look wonderful in a similar restaurant or café setting. Please see the other sign written furniture we have available. Working height 108cm. This piece has been later hand sign written.
