Description

Handsome Regency mahogany chest of drawers with an arrangement of 4 graduating drawers. The pine lined drawers retain their original swan handles, run smoothly and are constructed with hand dovetail joints. Like all antique furniture there are some imperfections but these only add to the charm and character of this chest of drawers. A solid set with incredible colouring and amazing graining with only minor marks / scuffs in line with age and use. This is a striking example of period furniture offering a lot of storage space and history to any home.
