Description

A rare opportunity to acquire such high styled and totally original Art Deco bedside tables. Originating from Italy and dating to the early 1930's they fill both the highly desired shape of Art Deco at its best and sort after the luscious veneers which create the exotic. You will be hard pushed to find better examples on the market at the moment. A mix of veneers to delight the eye are heavily figured Italian Walnut. Lots of storage space, both in the drawers and the interior cupboard. Both cabinets have been through our workshops and are fully restored to showroom condition. Both have black vitrolite tops which do show signs of wear such as surface marks, however these are easily removed and aren't attached. Underneath is veneered polished wood - see pics for both examples for display. FREE UK mainland delivery
