Description

An exceptional antique deep buttoned leather wing back armchair. This was made in England, it dates from around the 1920-30's. It is of superb quality, one of the finest examples you could find. It is large and of generous proportions, it is also very comfortable. The leather has an absolutely gorgeous champagne colour tone, it is beautifully upholstered and has original horse hair stuffing. We have had the leather gently revived by our leather restorer, the mahogany base has also been re-polished. The condition is excellent for its age, with no damage and just the right amount of wear.
