Description

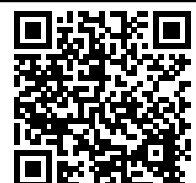

A very stylish and extremely well made pair of Swedish Art Deco period armchairs. They were recently imported from Sweden, they date from the 1920-30's. They have lovely proportions and are very comfortable. The quality is amazing, they have satin birch frames that sweep down the arms and into the legs, and sit on neoclassical Egyptian style feet. The satin birch has a gorgeous colour tone and stunning grain patterns. We have had the frames stripped and re-polished to a very high standard, and these have been fully re-upholstered in a cream cotton fabric. The condition is superb throughout.
