Description

A lovely stripped pine cupboard dating from the late 19th / early 20th Century with nice narrow proportions. The doors are panelled with turned knobs and it sits on a simple plinth base. It has a simple shelved interior and a metal fastener to keep the doors closed. It is in good condition and the pine has a nice warm colour. It has been cleaned and has a smooth waxed finish, retaining its lovely aged patina. The interior is generally clean and tidy. There are some signs of age and use, some marks here and there and a couple of old repairs but nothing detrimental. There are some signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
