Description

Pretty 19th century French crystal and floral chandelier. It dates from the late 1800s, has 6 arms and will be professionally rewired and PAT tested in the UK prior to sale. It has its original brass bronze frame with tired glass stem, 2 ball finials, all its original crystal plaquette drops and some unusual porcelain flowers in a gorgeous pink. There are no chips. This chandelier would be perfect for a feminine bedroom. Height includes chain and rose. Approximately 10cm of chain could be removed to reduce the height if required.
