

SA1016981

Late 19th Century Queen Anne Design Walnut Stool

Price

Sold**Item Reference: SA1016981****Date of manufacture: 19th Century**

Description

A late Victorian solid walnut stool, very robust and elegant, comfortable and a good height. . The stool has been newly and professionally re-upholstered in Zoffany Ducato heavyweight velvet of a beautiful rich Olivine green colour with a subtle peacock feather and foliate pattern. This fabric retails at over £100 per meter. . Each cabriole leg with beautiful carved scallop shell at the knee and terminating in slipper feet. . A very beautiful stool, usable and practical and with lovely proportions. The stool retains its original seat rails and is very well padded. . Minor bruises, dings and marks consistent with age and use, but very few and the stool is in excellent condition for age. . The appearance and design like that of a Queen Anne stool made in c. 1700 but dating from c. 1900. . . Dimensions are: . 23 inches wide, 17 inches deep, 18 inches high. . For metric please multiply by 2.5
