Description

This is a very pretty antique table lamp designed by Faraday and son around 1900. The lamp is silver plated in excellent order with a really attractive crimped blush pink glass light shade that is in perfect condition. This has been rewired with modern antique style braided cable (with in line on off switch) in keeping with the age of the lamp and is PAT tested ready for use in the home. The lamp measures in 38 cms height and the shade is 15 cms in diameter. UK insured packing and delivery is £20
