Description

A fine set of 4 Antique Sterling Silver Tiffany & Co Mint Julip Cocktail Stirrers Straws dating from the mid 1900s. Each spoon is approx 22cm long. The bowl is decorated in the form of a mint leaf. The back of each bowl is marked Tiffany & Co and sterling. Apologies for any reflections in photos. The set is housed in the original Tiffany & Co box and would be a great gift or excellent addition to a silver collection. The spoons are in overall very good condition with only minor signs of age/use. The box whilst in tact is a little worn and marked, small tear and tape marks, still very functional. Tiffany is an American luxury jewellery and specialty design house headquartered on Fifth Avenue in Manhattan. Tiffany is known for its luxury goods, particularly its sterling silver and diamond jewellery. Tiffany & Co. was founded in 1837 by the jeweller Charles Lewis Tiffany and became famous in the early 20th century under the artistic direction of his son Louis Comfort Tiffany. Tiffany today still designs luxury items for the discerning buyer. SHIPPING Free delivery to mainland UK, worldwide shipping available. Please email for quote.
