Description

A superb antique Victorian leather swivel desk chair. This was made in England, it dates from around the 1870-1890 period. The quality is outstanding, this is a great size and is very comfortable. The frame is dark stained solid oak, which is complimented beautifully by the black leather. It swivels and rolls smoothly on casters. We have had the leather revived by our leather restorer, and the wood has been re-polished. The condition is excellent for its age, with just some extremely minor wear and one small historical repair to one of the side spindles, seen in the images. Width base – 27 inches , 68 cm Width seat – 25 inches , 64 cm Depth – 29 inches , 74 cm Height – 34 inches , 86 cm
