The two main uses of parquetry are as veneer patterns on furniture and block patterns for flooring. Parquetry patterns are entirely geometrical and angular—squares, triangles, lozenges. The word derives from the Old French parchet, literally meaning "a small enclosed space". Large diagonal squares known as parquet de Versailles were introduced in 1684 as parquet de menuiserie to replace the marble flooring that required constant washing, which tended to rot the joists beneath the floors.
