Description

This is a beautiful English brass hanging letter rack measuring 13" (33 cms) tall x 5" (12.5 cms) across and in lovely condition with just a couple of minor dings that you would expect from an item this age. It is Victorian dating from c 1880 and has 4 sections for letters and a hanging section at the top where you would hang it on a hook or bracket. The brass is all in excellent condition with no breaks or holes, and we have had the brass professionally cleaned and polished and it now gleams. This is a very attractive letter rack, with shaped sides and a great classic look.
