Description

A large and impressive antique Edwardian mahogany breakfront console table. This was made in England, it is Edwardian and dates from around 1900-1910. The quality is outstanding, it is extremely well made with a lovely design. It sits on nicely tapered legs which terminate in spade feet, the drawers have brass handles and fine, hand cut dovetailed joints. We have had this recently re-polished, it retains a gorgeous patina with some minor marks remaining here and there beneath the polish. Overall this is in excellent condition for its age. Width – 66 inches , 168 cm Depth – 18 inches , 46 cm Height to back – 37 inches , 94 cm Height to table top – 34 inches , 87 cm
