Description

An exceptionally beautiful vanity jar made from cut glass in the ever-popular hobnail design with a star-cut base. The lid is stunning, with a plethora of repousse decoration with an intricate floral & foliate design surrounding a central domed cartouche, which could be personalised by your silversmith if desired. Amongst this riot of decoration is a good crisp English hallmark for the highly collectible Chester assay office together with the date letter for 1901, late Victorian in era. The makers initials G.N over R.H into a shield for the silversmiths, George Nathan & Ridley Hayes. Excellent condition, measuring 3 1/2" tall with a lid diameter measuring 3".
