Description

Gents Bulova wrist watch, 1964. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The movement is fully signed and it has the date code for 1964. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in lovely condition. The back of the watch is signed, and it has the same date code as the movement. Signed Bulova winding crown. The lens is in good condition. The signed dial is in its original finish with subtle vertical stripes. There is a little marking and discolouration around the edge of the dial but not too detrimental. Original hands. A new leather strap has been fitted. The watch comes in a new presentation box.
