Item Reference: SA1017980

Date of manufacture: 19th Century

Description

A very good five tier spice tower turned from sycamore. It has all its original labels Nutmegs, Cinnamon, Cloves, Ginger and All Spice. This large tower is much more difficult to find with the five sections. The three and four tier examples are easier to come across. Each section unscrews for storage of the different spices. Good colour and patina. A very good example. It measures 26cm h x 11cm w.
