Description

A charming oil on canvas depicting a rocky outcrop with heather by Alexander Harrison. The painting shows a very detailed and closeup image of a rocky outcrop with sprouting heather and even features a ladybird. The work is signed and dated to the lower right 'A Harrison 1891' this is almost certainly Alexander Harrison exh.1885-1908. Alexander Harrison was a very capable but little-known artist who exhibited widely including at the Royal Academy and was elected a full member of the New English Art Club and the Royal Institute of oil painters. The painting has been professionally cleaned and is in excellent condition. The frame is the original and in good condition although it has been overgilded at some point. The whole has a great look and is ready to hang. Overall sizes in inches including frame: 18 ¾ by 20 ¾
