Description

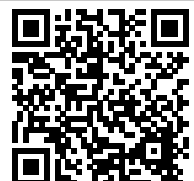

A magnificent antique French gilt wood console table with a marble top. This was made in France & I would date it from around the 1900-1920 period. It is of outstanding quality and is extremely impressive. It is a great size, the gilt wood frame has beautiful carving and a lovely patina. The marble top has absolutely stunning colours and patterns. The condition is excellent for its age, with only some minor age related surface wear here and there. Width – 43 inches , 109 cm Depth – 23 inches , 58 cm Height – 36 inches , 91 cm
