Description

A wonderful antique Georgian period sideboard in mahogany. This was made in England, it dates from around the 1790's period. It is very well made and is a lovely size, with lots of storage space inside the deep drawers. The drawer fronts have beautifully inlaid borders, this has a bow front shaped and sits on tapered legs that terminate in spade feet. We have had this recently re-polished, the condition is very good for its age. There is just some minor wear and minor marking beneath the polish here and there, commensurate for age. Width – 49 inches , 125 cm Depth – 22 inches , 56 cm Height – 36 inches , 90 cm
