Description

A fine pair of George V period solid silver and blue engine turned enamel candlesticks, hallmarked Birmingham 1928. Each bears the maker's mark of A. L. Davenport. Pale blue guilloché engine turned enamel to the tapering supports, candle holder tops and splayed circular bases. Small manufacturing fault to the enamel of one candlestick stem. The silver is in immaculate condition with clear hallmarks to the base of each candlestick. Each measures 3.5" diameter at the base x 5.75" high. Tracked and insured postage for this item is £14.00 for mainland UK. Please contact us for delivery abroad.
