Description

A smart and useful antique mahogany chest of drawers on legs. This was made in England, it dates from around the 1930-50's. It is a very useful size, it is slim and taking up very little space, yet offering plenty of storage in the many drawers. The mahogany has a lovely colour tone, this sits on cabriole legs, it has brass handles on the drawers and a cross banded top. We have had this recently re-polished, the condition is excellent for its age. Width – 15 inches , 38 cm Depth – 13 inches , 33 cm Height – 36 inches , 90 cm
