Description

This is a lovely Antique Sterling Silver Salt Bowl from the early 1900s. It would be perfect for storing a few rings in. It comes in a gift bag so it'd be a great present. The maker's mark and Hallmarks are quite worn but it was made by Joseph Gloster and it was Hallmarked in Birmingham in 1908. The bowl has three very elegant feet and a pretty design to the rim. The silver is shiny with some spots of tarnish, particularly to the inside of the bowl which adds to the antique look. It weighs 27.8g. The diameter is 4.8cm (1 7/8 inches). The height is 3.3cm (just over 1 1/4 inches).

Internal Ref: 1908 salt bowl
