Description

A fine pair of Japanese Satsuma lobed bowls. The pair are beautifully decorated with landscape scenes of mountains, rivers and flowering cherry trees. They are both marked but I have been unable to identify the maker. The two are both in excellent condition and while obviously made as a pair one is slightly higher than the other. C.1920. Overall sizes in inches, each: 4 $\frac{3}{4}$ wide by 1 $\frac{3}{4}$ and 2 high
