Description

This solid mahogany dining table comes with the traditional winding mechanism that allows the table to become 3 different sizes. 2 leaves are 81cm each in width and are easily interchangeable. There is some slight discolouration in the leaves due to the fact they have probably not had as much use. Table will easily sit 12 maybe more depending on size of chairs. The 3 different lengths of table are 129cm with no leaves or, 210cm with 1 leaf or 291cm with 2 leaves. Item is collection only from LL29 7PP or please contact seller for possible delivery quote.
