Description

Antique Waltham half hunter pocket watch, 1907. The watch has a seven jewel Traveler grade stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 16,220,376 which dates it back to 1907. The movement is protected by an inner hinged cover which has some scratching where it has been opened in the past. The watch measures 50mm diameter excluding the winding crown and the loop. The case is the 10ct gold filled Moon model from the Dennison Watch Case Company, a prolific manufacturer of cases for various watch manufacturers, including Waltham UK. The case is in good condition with just a small minor indentation to the back, not too detrimental at all. The front cover has a small central lens surrounded by blue enamel filled Roman numerals. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in lovely condition (some reflection showing on the lens in the photo). The signed dial is in lovely condition, just a scratch on the sub seconds dial. Original blued steel hands (including the special half hunter hour hand so the time can be read when the front cover is closed). The watch c...
