Description

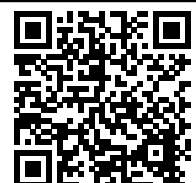

A superb original Art Deco burr walnut coffee table by Epstein. This was made in England, it dates from the 1920-30's. This is of exceptional quality, it is a great size and has a beautiful design. The top has slightly raised edges, it sits on a U shaped base with scrolled inner edges. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. The walnut has an absolutely gorgeous colour tone and stunning grain patterns. We also have the matching cocktail cabinet that came with this, seen listed under our other items for sale.
