Description

A fantastic pair of antique mahogany military campaign bedside chests. They were made in England, they date from around the 1900-1920 period. They are of superb quality with lots of storage space, they are a large, impressive and useful size. The mahogany has a lovely colour tone and patina, offset beautifully by the brass handles and brackets. They sit on bun feet and have brass carry handles on the sides. We have had them recently re-polished, the condition is excellent for their age. There is just some minor wear and old marks here and there beneath the polish. Width - 24 inches , 61 cm Depth - 18 inches , 46 cm Height - 30.5 inches , 77 cm
