Description

A superb antique Edwardian inlaid mahogany side table. This was made in England, it dates from the 1900-1910 period. It is of lovely quality and is a very useful size, perfect for use as a bedside or occasional side table. This has two drawers with brass ring pull handles, it sits on tapered legs with a cross stretched support. The drawer fronts and top edges are cross banded, and there is a raised gallery along the back and sides of the top. This also has a nicely finished back so can be used as a free standing item.
