Description

Structurally sound condition and ready for its next sitter. Some isolated, historic worm holes, and an old repair to the top rail where it joins the upright. Unusually for the past week, there was a bit of evening sun when the chair was photographed, and in most conditions it appears a couple of shades darker in colour. Reliable transport throughout the UK can be easily arranged at cost price, please let me know if you would like a quote or have any other questions Follow us on Instagram: [jeckyll_and_co](#)
